PVC**

Easy to install

Uniform
flat surface

Lightweight
yet rigid

Highly resistant
to weather

100%
Recyclable

 **MADE IN BRITAIN**

Designed for printing and other flat applications, EuroFoam panels offer outstanding reliability and performance creating excellent results time after time.

Their physical qualities also make them ideal for intricate die cutting and routing.

A self-extinguishing material that complies with international fire test standards, EuroFoam's rigidity, fine cell structure and smooth surface makes it the preferred choice for professional printers, sign makers and exhibition contractors throughout the world.

Applications:

- Printing direct
- Sign making
- POS displays
- Store design
- Exhibition design

 **MADE IN BRITAIN**

Exceptionally white expanded closed cell structure foam PVC for excellent print quality

Easy-peel protective film designed to protect the panel
